SEPTEMBER NEWS

After-School Program (3 - 14 Years)

We kicked off to a strong start for our learners, with engaging lessons in music, mathematics, and languages, as well as enriching clubs in art, science, chess and beyond. Designed to inspire curiosity and support growth, the program provides a balanced blend of academics and creativity in a structured space.

Birthday Parties (All Ages)

It has been a busy start featuring a variety of themed parties - from superheroes and Beauty and the Beast to princess celebrations and more. We take care of every detail from start to finish, allowing you to enjoy a relaxed and memorable experience.

Napoleon Barkis has been appointed Center General Manager. With extensive experience in customer service excellence and strategic program development, Mr. Barkis will lead the center in delivering high-quality programs while strengthening connections within both the local and international community.
